Luxury Kitchens and Wardrobes

CASANTRO

*The Props assist the House
Until the House is built
And then the Props withdraw
And adequate, erect,
The House support itself
And cease to recollect
The Auger and the Carpenter —
Just such a retrospect
Hath the perfected Life —
A past of Plank and Nail
And slowness — then the Scaffolds drop
Affirming it a Soul.*

**The Props Assist the House
EMILY DICKINSON**

Casantro

An ode to the home

Far greater than the sum of its parts, every home has a soul.
It is crucial thus, that the parts carry in themselves emotion and life.

Casantro homes are like poesia (poetry).
Meticulously chosen elements are shaped
with finesse to create works of art that
harmonise perfectly and add to the space.
Each offering recites a thought and a story.
Crafted par excellence, paralleling European
standards, every product is a masterpiece in
itself, but also an integral part of another
masterpiece — the home.

The Diamante Collection

A curation of luxury finishes

PU | Veneer | Acrylic | Membrane | Laminate

*The emerald's or diamond's shine,
Is valued not for that alone,
But for its absence in the mine,
Where thousands lie, of common stone*

From The Diamond And The Pebble
THOMAS FREDERICK YOUNG

Hand-picked. Heart-picked. And crafted to radiate luxury.
Our Diamante kitchens and wardrobes in rich finishes are
sure to become the crown jewels of the home.

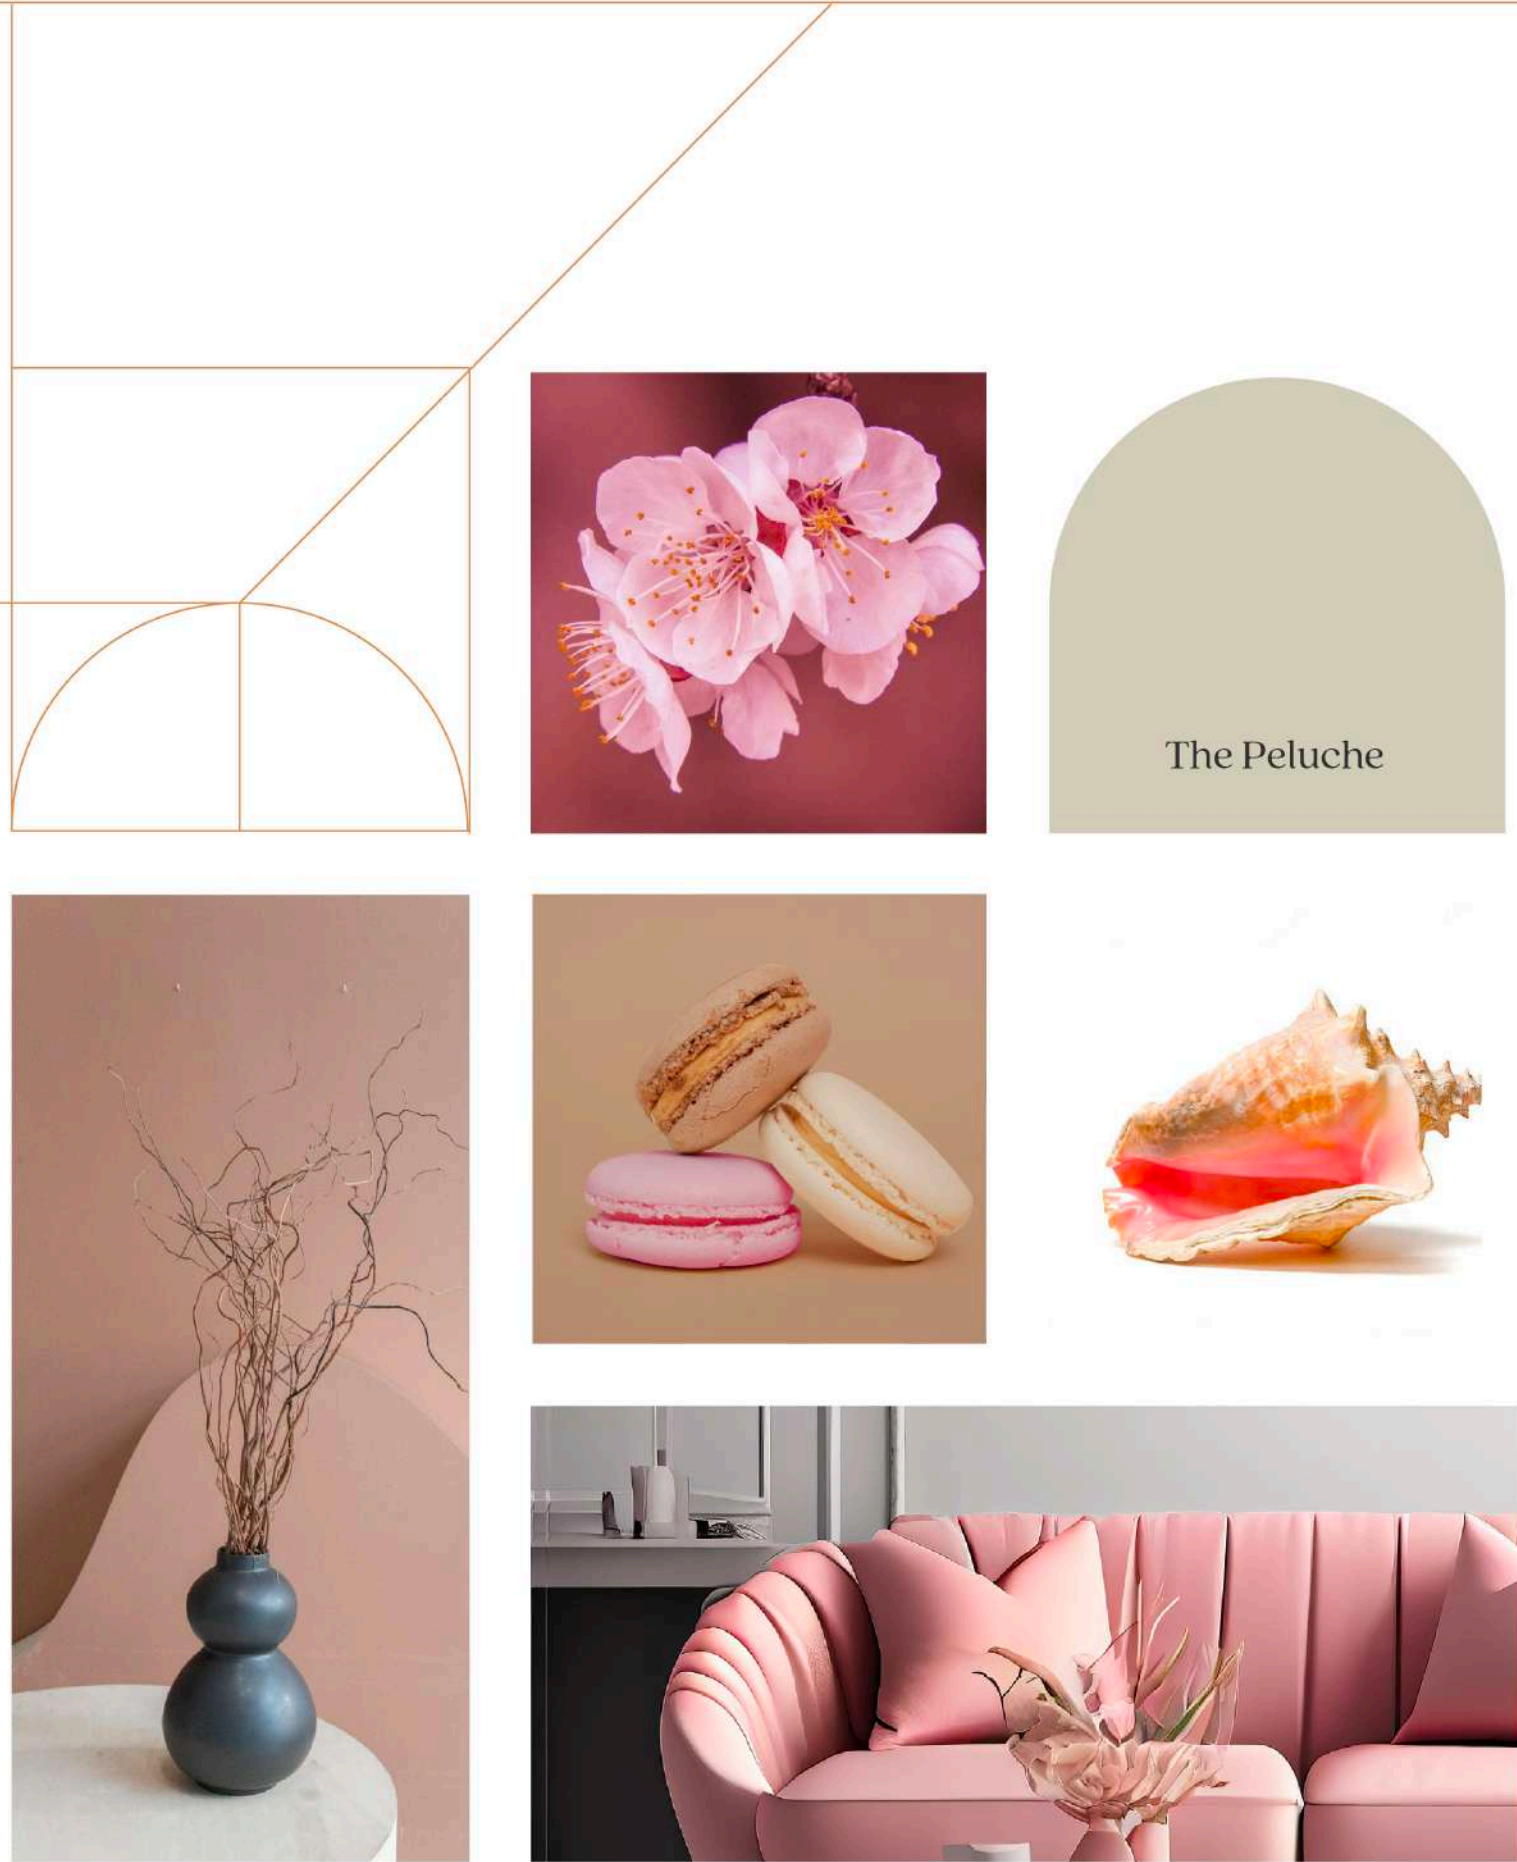

PU (Polyurethane)

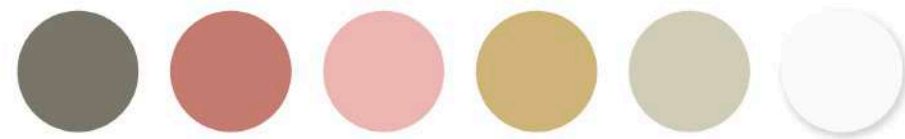

Poetry of opulent hues

Casantro PU finishes recite tales of art. Layers of high-quality Italian paints are patiently spray-painted onto all sides of the core material, leaving adequate time for drying between each layer, in environments made thoroughly dust-free. They are functional showpieces for the home, that beckon the admirer to stop and absorb the smooth luxury of colour.

The Diamante Expressions Collection

Luxury made personal

*“In what, lies the beauty of
expressions?”, I asked.
The stranger raised his brow.*

*“Is it in — the same emotion, being
worn differently by each?”
His eyes widened.*

*“Or is it in — the heart's thought, not
being corrupted by words?”
The stranger smiled.*

From Visage
DANIEL JAMES

Wordless statements of identity, the Diamante Expressions collection is an anthology of shutters different from the usual. Through exquisite profiles and unique interweaving of finishes, the collection offers pure freedom in design — a perfect choice for when the heart craves a different song.

Meet Our Cabinets

*A poem should be motionless in time
As the moon climbs.*

*A poem should be equal to:
Not true.*

*For all the history of grief
An empty doorway and a maple leaf.*

*For love
The leaning grasses and two lights above the sea—*

*A poem should not mean
But be.*

From *Ars Poetica*
ARCHIBALD MACLEISH

The building blocks to our masterpieces

Timeless and unequalled — every Casantro cabinet lays the foundation to perfection. Crafted with the understanding that each unit contributes to a life's dream, nothing — absolutely nothing about its being is left to chance.

Excellence, all the way to the core

MDF (Medium Density Fibreboard)

Wood fibres are compressed with resin under heat and pressure, ensuring a smooth surface free of knots and grain patterns. Perfect for seamless finishes.

High adhesion to finishes

High screw holding strength

High resistance to wear and tear

HDF-HMR (High-Density Fibreboard – High Moisture Resistance)

Denser, harder and stronger. Using a resin, different to the resin used in MDF and a unique process of pressurisation – HDF-HMR is practically a super core material.

10x strength over normal plywood

High adhesion to finishes

High moisture resistance

High durability

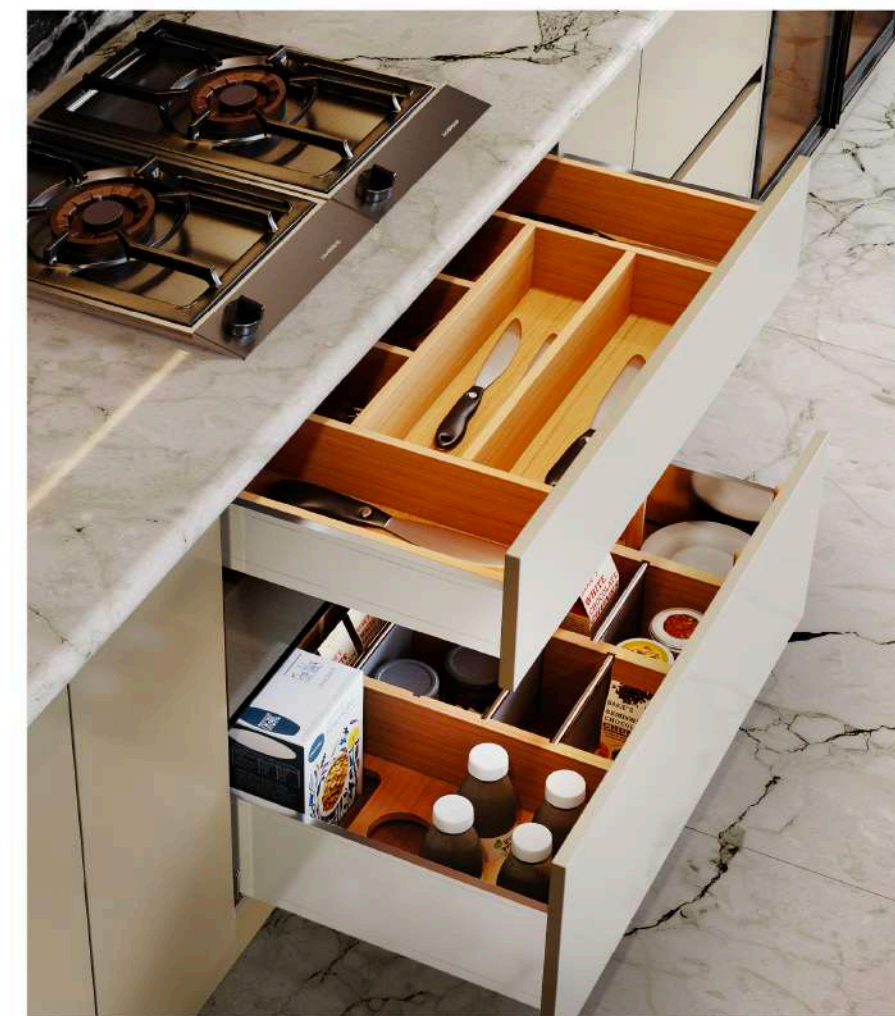

Plywood

Made from multiple layers of hardwood veneers called plies, our plywood sheets are known for their strength and termite resistance.

Low emissions

High boiling water resistance

High moisture resistance

Carcass

The pillars of our kitchens and wardrobes, Casantoro carcasses work behind the scenes offering strength and durability to our masterpieces. In a leap beyond traditional options, our range of finishes opens up a vast new universe – one where perfection on the inside is valued as much as it is on the outside.
